UNIT (9) BUILDING A BETTER FUTURE

Read the following passage, then choose the correct answer:

Once Wealth and Poverty approached a merchant and introduced themselves as visitors. The merchant offered his salutations to both of them and said: "May I know what brings you to my shop?" Wealth said: "We want you to judge and tell us who is more beautiful between us two?" The merchant was in a fix. If he were to declare wealth as more beautiful than poverty, poverty would curse him. If he were to declare poverty as more beautiful, than wealth, wealth would forsake him. However, he regained his composure and said: "I have great respect for you both. Would you please act according to my instructions? Then only I can judge properly." The visitors agreed. He said: "Mother wealth, would you please go to the entrance (gates) and wall: into the house? Mother, poverty! Would you please walk from here towards the gates? I can have a good look at you both, from near and far." The two visitors did walk as the merchant wished them to. Then the merchant happily declared: "Mother wealth! You appear very beautiful when you enter the house. Mother poverty! You look very beautiful when you leave the house!" The visitors appreciated the wisdom of the merchant. Wealth happily stayed in his house while poverty cheerfully walked away. When a serious problem faces us, if we look within and think calmly, a ray of hope and light will appear and show us the way.
