**3- Read the following text and answer the questions**

Many years ago, a very poor farmer bought a piece of land. One day while he was working on it, he **came upon** an iron box that was buried in the soil. When he opened it, he was surprised to discover that it was filled with valuable coins made of silver and gold. Since he owned the land where it was found, he could have kept the treasure for himself. But the farmer was a truly honest man. He at once went to the person from whom he had bought the land and showed him the treasure. “What is this?” asked the previous owner of the land. The farmer told him the story of how the treasure was found. But the previous owner refused to accept it, saying, “The treasure would be mine if I found it. I think it must have been hidden in the soil by my grandfather. Finally, the two men decided to divide the treasure into two.
