B- Reading

Reading Comprehension

2) Read the following passage and answer the questions

Hend sat in her favorite corner of the library, surrounded by towering bookshelves filled with stories waiting to be discovered. With a sense of hope, she reached for a thick book, running her fingers over the pressed letters on the cover. As she examined the pages, she lost herself in a world of magic and adventure, where anything was possible. Time seemed to stand still as she journeyed alongside the characters, experiencing their achievements and misfortunes. Lost in the attraction of storytelling, Hend felt a deep connection to the books that had become her closest companions.

Choose the correct answer from a, b, c or d:

3) Read the following passage and answer the questions

Sometimes we may be terribly ill. At that time we don't want to work, and we have to stay in bed and rest at home. It's germs that make us ill. There are germs everywhere, they are very small and you can't see them with your own eyes, but you can see them with a microscope.

Germs can always be found in dirty water. When we look at dirty water under the microscope, we shall see them in it. Germs can also be found in air and dust. If you cut your finger, some of the dust from the floor may go into it, and you will have pain in it. Sometimes the germs will go into all of your body, and you will have pain everywhere.

To keep us healthy, we should try our best to make our environment become cleaner and tidier. This needs us to act together.
